- Discussion with other students is not allowed.
- Exchange of notes, books and stationery with other students are not allowed.

Do not write below this line

Attempt all the questions.

Q1: What will be the output of the following code if we execute it in the browser dev tool's console, and provide a proper explanation? [10 marks]

```
foo();  
console.log(bar);  
var bar = "I'm a variable";  
foo();  
function foo() {  
  console.log("I'm a function");  
  bar = "Reassigned inside function";  
  console.log(bar);  
  function bar() {  
    console.log("I'm a nested function");  
  }  
}  
console.log(bar);
```

I'm a function
Reassigned inside function
I'm a nested function
I'm a function
Reassigned inside function
I'm a nested function / reassigned
